

KIERSTEN ENGEL

Research Analyst

Kiersten Engel, Research Analyst, Custom Research Solutions Department, applies quantitative methods to provide clients with a broad scope of analysis, including economic studies, and custom reporting and modeling. Kiersten joined Ned Davis Research Group in 2014.

Prior to joining NDRG, Kiersten worked as an intern for R² Macro, where she designed trading systems based on yield curve changes and analyzed macroeconomic data to form investment theses for all asset classes. Kiersten also served as the Information Technology and Telecommunications Portfolio Manager and Website Designer for the Green and Gold Fund, a Bloomberg Businessweek U.S. Top 10 student-managed portfolio and three-time winner of the R.I.S.E. competition.

Kiersten graduated magna cum laude from the University of Alabama at Birmingham (UAB) with a Bachelor of Science degree in Applied Mathematics and a minor in Finance. She has also been featured in UAB Magazine for her work in mathematics and her career as a ballet dancer with the Alabama Ballet Company.
