

# LARRY WINER, CMT

Chief Operating Officer  
Chief Compliance Officer

**Larry Winer**, CMT, Chief Operating Officer, oversees the general operations of Ned Davis Research, which includes management of Information Technology, Market Data, Distribution, Research Applications, Custom Research Services, Publishing, Compliance, and Human Resources.

In mid-2017, Larry also took on the role of Chief Compliance Officer, overseeing the company's regulatory compliance requirements and processes.

Larry has been with the NDR since 1997. Since joining the firm, Larry has held the position of Senior Director of Technology & Client Services (2015), Director of Custom Research Services (2005-2014), Senior Research Analyst for Ned Davis (1999-2004), and Senior Market Data Manager (1997-1998). Prior to joining Ned Davis Research, Larry worked at Tudor Investment Corporation in the areas of securities research, market data development, and technology.

Larry holds a Bachelor of Science degree in Electrical and Computer Engineering from the University of Buffalo. Larry is a Chartered Market Technician, a member of the Market Technicians Association, and a member of the American Association of Professional Technical Analysts.
