

Matt Bauer, CFA

Commodity Strategist

Matt Bauer, CFA, Matt Bauer is responsible for NDR's Commodity Strategy and contributes to NDR's Thematic Opportunities covering commodity, natural resource, and energy transition themes.

Matt joined NDR in 2012 as a Research Analyst in the Custom Research Group conducting bespoke research for the firm's clients. In 2020, Matt assumed responsibility for NDR's ETF Tools and strategy publications.

Prior to joining NDR, Matt worked as an Option Specialist for Charles Schwab's Private Client Investment Advisory, where he developed and implemented strategies to generate income, hedge equity risk, and monetize concentrated single-stock positions. While at Schwab, Matt also worked as an option trader and registered representative.

Matt is a graduate of Regis University with a bachelor's degree in finance. Matt is a CFA charterholder and a member of the CFA Institute, CFA Society Colorado, and the CMT Association.
